INTRODUCTION

The Michiana Area Council of Governments (MACOG) is the regional planning agency responsible for transportation planning in Elkhart, Kosciusko, Marshall, and St. Joseph Counties in Indiana. MACOG is the designated Metropolitan Planning Organization (MPO) for St. Joseph and Elkhart Counties, and serves as the Rural Planning Organization (RPO) for Kosciusko and Marshall Counties.

As the designated MPO for the region, Federal law requires MACOG to prepare a Transportation Improvement Program (TIP) to indicate how the Metropolitan Transportation Plan (MTP) will be implemented. The TIP identifies projects programmed regionally for federal funding under several programs, including the Surface Transportation Block Grant Program (STBG), Highway Safety Improvement Program (HSIP), Congestion Mitigation Air Quality (CMAQ), Federal Transit Administration Section 5307, 5309, 5310 and 5339 Programs, and other federal transportation programs.

MPOs are required under the Bipartisan Infrastructure Law (BIL) to publish an annual listing of projects, for which funds have been obligated, in the preceding year, as a record of project delivery and a progress report for public information and disclosure.

An obligation is the Federal government's legal commitment to pay the Federal share of a project. Projects for which funds have been obligated are not necessarily initiated or completed in the program year, and the amount of the obligation will not necessarily equal the total cost of the project. For Federal Transit Administration (FTA) projects, obligation occurs when the FTA grant is awarded. For Federal Highway Administration (FHWA) projects, obligation occurs when a project agreement is executed and the state or grantee requests that the funds be committed to a project.

In addressing the BIL requirements, this report lists all transportation projects in the region that had obligations during state fiscal year 2024 (July 1, 2023 – June 30, 2024). The Annual Listing of Obligated Projects is consistent with the project listing in the TIP. This includes project description, designation number, as well as the amount of funds programmed in the TIP and its funding source; see Appendix B for a list of applicable funding sources.

**Locally Obligated Projects
State Fiscal Year 2024**

Des #	Project Description/Location	Sponsor	County	Project Type	Funding Type	TIP Programmed	SFY 2024 Obligation	Remaining Programmed Funds Balance
