Northern Indiana Green Fleet Program
Enrollment Form

Contact Information
Please provide contact information of the best person to reach regarding your enrollment in the Green Fleet Program.

Organization: _____ Phone: _____
Main Contact: _____ Email: _____
Address: _____ City/State/Zip: _____
County (MPO Territory): _____

Fleet Information

1) How many total on-road vehicles are in your fleet? _____
• Of the total, how many run on diesel? _____ Of the total, how many run on gasoline? _____

2) Are you currently using alternative fuels, hybrids or electric vehicle technology? Yes No
• If yes, how many? _____

3) Are you currently using any emissions control technology for your fleet (DPFs, DOCS, DMFs or other retrofits that catalyze or filter emissions)? Yes No
• If yes, how many? _____

4) Are you currently using any idle reduction strategies in your fleet (auxiliary power units, direct fire heaters, automatic engine shutdown, or organization-wide anti-idling policy)? Yes No
• If yes, can you provide the amount of time your total fleet idling time has been reduced?

5) Are you currently deploying any fuel efficiency strategies in your fleet (aerodynamic packages, fuel efficient tires, route management software, fuel additives, and/or strategies to eliminate over-sized or under-used vehicles)? Yes No
• If yes, please explain.

6) Are you actively exploring or in need of more information regarding any of the above Green Fleet Management strategies? Yes No
• If yes, please indicate which topic areas your fleet is considering and what information would be useful to help you make a better informed decision to green your fleet.

Please submit completed form to info@southshorecleancities.org
If you have any questions, please contact the office at (219) 644-3690

Upcoming Funding

- Indiana Volkswagen Environmental Mitigation Trust – Audits due 5/1/19
 - Vehicle repowers and replacements
- Light Duty Electric Vehicle Infrastructure – Anticipated Summer 2019
 - Level 2 and DC Fast Charging Equipment
- DieselWise Indiana – Anticipated Fall 2019
 - Diesel Emission Reduction Projects

Upcoming Events

- High Octane Fuel Summit – May 2nd (Speedway, IN)
- Transportation & Innovation Expo 2019 – May 23rd (Madison, WI)
- SSCC 20th Anniversary Celebration – June 18th (Merrillville, IN)
- SSCC 7th Annual Clean Air Golf Outing – September 10th (Crown Point, IN)
- National Drive Electric Week – Ride & Drives – September 14th - 22nd
